Proposed Homeless Housing Facility Poll

The Terwillegar Towne Homeowners Association recently became aware of a proposal to build a housing facility for homeless people. This facility is planned on the site of the Holy Trinity Riverbend church, and is being proposed by Jasper Place Health and Wellness Centre. Online information is available through the Terwillegar Community League website at www.terwillegar.org.

Your TTHOA has been working very hard, in cooperation with the Terwillegar Community League and the Terwillegar Gardens Homeowners Association, to attempt to get a clear picture of this development and how it would impact our community. Our Board has thus far identified our role as one of information gathering and communicating. The Board is now seeking input from all Homeowners about further action. Please answer the following questions to confidentially express your opinion on this development.

POLL Questions:

Please circle the statement that expresses your opinion on the proposed development.

I/we support the proposed development

I/we oppose the proposed development.

If you oppose the proposed development, would you support a development with a similar purpose that was a better fit for our community? Please circle your response:

YES NO

If you oppose the proposed development, would you support the TTHOA using financial resources to attempt to stop or change the current development? Please circle your response:

YES NO

Your Name (please print and sign)

Your Address

(note, these poll results will be kept completely confidential).
